Do you think we could use this flyer to create a broader one for all materials - beyond just plastic? Would love to see a national program like Demand Champions for all substrates.

Hi Susan,

Yeah for paddle boarding - hope you had the best of days.

Attached is the Recycling Demand Champions overview that we used. Is this what you had in mind?

Best,

Liz

Elizabeth A. Bedard, Director
APR Olefin/Rigid Plastics Recycling Program

One question I had of you, Liz, is whether you have any written materials for Demand Champions that could be adapted for an information piece as part of #2 in the list on the worksheet.

Hope your summer has been good. Ours just started. I'm going paddleboarding this afternoon.

Susan,

We are having a thunder storm which is causing me to continually be dropped from this call. My apologies for not being able to participate. Please let me know if there is anything I can do to be of help, especially around "Recycling Demand Champions".

Liz

HI Again, based on our steering group conversation last week, here is an updated approach. Let me know if you have any changes or additions.

thanks
Doug

Recycling is a good thing. Please recycle any printed emails.
